## Attestation Letter

2018-12-11

Dear Sir or Madam:

The RF chip, model: BC8615 installed in our product Mobile Phone;  
FCC ID: 2AAA6-LS130PLUS-BT; which support BDR(GFSK), EDR( $\pi/4$ -DQPSK,  
8DPSK) and BLE functions. For marketing purpose, this chip only supports BDR(GFSK)  
and EDR( $\pi/4$ -DQPSK,8DPSK), the BLE function has been shielded by the manufacturer  
by using the software.

Sincerely,

Signature:

Roberto Fregoso
